Total Customers, Response Rate and Total Spending by Segment

Segment ● High-High ● High-Medium ● Medium-High ● Medium-Low ● Medium-Medium

- Prioritize High-Spending Segments: Delivering 3–4x Higher Response and Strong Revenue Impact
- Medium–Low has the largest customer base but low response, making it less efficient despite its size

Largest Customer Segments by Size

Income Group

Spending Group

All

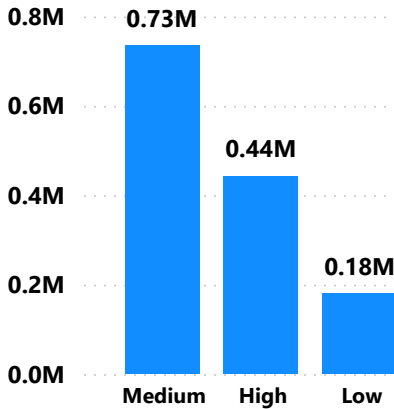

Key Insight :

- Reallocate budget toward high-spending segments
- Reduce spend on low-response segments
- Medium–Low is the largest segment but has low response; use low-cost channels or targeted offers instead of broad campaigns

Response Rate By Spending Group

Total Spending by Spending Group

- Medium spenders drive the largest revenue, but high spenders deliver the highest response rates
